

## MILTON SILAS COVER LETTER

I am a cybersecurity analyst and Cisco IT Essentials trainer with a strong foundation in operating system, ethical hacking, network Administration and system administration. My passion lies in securing systems, identifying vulnerabilities, and helping organizations strengthen their digital resilience.

Over time, I've built hands-on experience in vulnerability assessment, penetration testing, and threat detection. I also enjoy mentoring and training others in IT and cybersecurity, simplifying complex technical concepts for learners and teams.

My goal is to continue developing my expertise in cybersecurity operations and contribute to creating safer digital environments. I'm eager to take on new challenges that allow me to apply my technical skills, problem-solving mindset, and commitment to continuous learning.

**Sincerely,**

**Milton Silas**
